The brutish, possessive love story of a super model starved for true love?
I am the amazing, extremely popular model of Karisuma Models, KEI (Toudou Kei). I would like my roommate, and inelo quent cousin, Nanami, to be my lover! He walks around, pretending he's really badass, but he's a worrier at heart, and whenever I see him like that, or showing this awkward kindness that he has, I just love him, love him, love him•• I've tried to seduce him more than once. But there's a reason he won't take me seriously?! Includes an extra
You are my sweetheart.
